PROFESSIONAL SUMMARY

Web Design and Development graduate (May 2026) with professional experience building and deploying responsive websites and managing server infrastructure. Combines front-end skills in HTML, CSS, JavaScript, and React with a designer's eye trained in Adobe Illustrator, InDesign, and Figma. Seeking an entry-level role in web development, UX/UI design, graphic design, or IT to deliver clean, accessible, user-centered digital experiences.

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript (ES6+), SQL (basic) | **Frameworks:** React, Redux, React Router, Bootstrap, Reactstrap

Design: Adobe Illustrator, InDesign, Figma, Wireframing, Prototyping, Responsive Design, UI/UX Principles

Tools: Git/GitHub, VS Code, Chrome DevTools, npm, REST APIs, Fetch API, Synology NAS, WordPress, WCAG 2.1

Other: Google Suite, Microsoft Office Suite, Spanish (native fluency), Cross-Browser Testing, SEO Fundamentals

EXPERIENCE

Vines and Brookeshire — Little Rock, AR

September 2025 – Present

Web Developer

- Designed, developed, and launched the company's responsive website using HTML5, CSS3, and JavaScript, optimizing for mobile-first performance and cross-browser compatibility
- Configured and administered a Synology NAS, establishing user access controls, automated backups, and in-browser file-sharing workflows
- Produced branded visual assets and marketing collateral using Adobe Illustrator and InDesign, maintaining consistent identity across web and print

Templo Cristiano Bethel — Little Rock, AR

2017 – Present

Volunteer Sound Engineer

- Operated and maintained a multi-channel live audio system for weekly bilingual services, averaging 200+ attendees over 8+ years
- Assembled, troubleshooted, and calibrated PA equipment; trained incoming volunteers on setup and live mixing fundamentals

PROJECTS

React Restaurant Menu | React, Redux, Fetch API

- Built a multi-component single-page application with dynamic dish views, Redux state management, and Fetch API POST integration

Interactive Arkansas County Map | HTML5, CSS3, JavaScript, Inline SVG

- Developed a zero-dependency interactive SVG map of all 75 Arkansas counties with CSS fill transitions, hover states, and click-to-select functionality

"Hail to the Thief" Magazine Spread | Adobe InDesign, Editorial Design

- Designed a multi-page punk music magazine with cover, feature articles, and editorial layouts using InDesign typography, image placement, and grid systems

EDUCATION

Bachelor's in Web Design and Development - May 2026

University of Arkansas at Little Rock

High School Diploma - 2022

Benton High School
